To Whom it May Concern:

Attn Cathy

My name is Denise Houlihan. I have a court appearance scheduled for 10-3. I am unable to attend in the process of hiring a new attorney as my prior attorney is not able to practice in Federal Court. I am out of state at a business meeting in NJ on Thursday and will not be available.

I called Julie Kim and spoke with her. She was going to be requesting an adjournment on my behalf.

Thank you,

Denise Houlihan
